January is National Stalking Awareness Month

JANUARY 2008

THANKS TO ELKO!

Throughout the months of November and December, CADV received a generous amount of support for the victims and their children for the Holiday Season from the Elko community members. Without the contributions we received, the families we serve would not have had a Christmas including a plentiful table of food. Thank you:

Harbor House Christmas Party

The Christmas party at Harbor House had a special visitor, Santa Claus! All the children had their pictures taken with the star of the evening and whispered their wishes with a honest plea of their good behavior. Santa had a special escort, Sgt. Mark Butterfield with his Christmas decorated vintage police cruiser that was covered in lights and played holiday songs. Serena Waters shared her tranquil voice by singing Christmas carols, a delicious spaghetti dinner was provided by Stockman's catering department and POW MIA contributed large amounts of prepared and tasty holiday food. Cookies were baked by the Rosary Club, and delicious deviled eggs were made by a CADV volunteer. Thank you to all of you for making a pleasurable evening.
